Research project (principle investigator)

Exploring optimal ranges of gestational weight gain in Taiwanese women	Ministry of Science and Technology (MOST108-2314-B-010-059-MY3)	2019/08/01~ 2022/07/31
A cohort study on reproductive health and fertility and their related factors among women who prepare to get pregnant	Ministry of Science and Technology (MOST107-2314-B-010-012)	2018/08/01~ 2019/07/31
A longitudinal study on body weight changes among primiparous women and their infants from pregnancy to 18 months postpartum	Ministry of Science and Technology (MOST104-2314-B-010-029-MY3)	2016/08/01~ 2018/07/31
Public health cooperation project with Syiah Kuala University in Aceh, Indonesia	Ministry of Health and Welfare (106G01)	2017/01/01~ 2017/12/31
Evaluation of effectiveness of the health education toward pregnant and delivery women and primary caregivers of young children	Ministry of Science and Technology (MOST105-3011-F-010-003)	2016/05/01~ 2017/10/31
Public health cooperation project with Syiah Kuala University in Aceh, Indonesia	Ministry of Health and Welfare (105G01)	2016/01/01~ 2016/12/31
A pilot public health cooperation project with Aceh, Indonesia	Ministry of Health and Welfare (104G01)	2015/01/01~ 2015/12/31
A review on screening for ADHD: International comparisons and trends	Health Promotion Administration (R10314)	2014/08/03~ 2014/12/03
A prospective cohort study on antepartum and postpartum depression symptoms among native and immigrant women	Ministry of Science and Technology (MOST101-2314-B-010-014-MY3)	2012/08/01~ 2015/07/31
A survey on knowledge, attitude, and behavior regarding substance abuse among new immigrants	Food and Drug Administration (DOH102-FDA-61301)	2013/01/01~ 2013/12/31
Psychological factors and perceived risk of birth in relation to decision of an elective cesarean delivery among primiparous women	National Science Council (NSC98-2314-B-01	2009/08/01~ 2012/07/31

	0-029-MY3)	
Level of stress in relation to cervical cancer screening behavior among nurses	Bureau of Health Promotion (R10206)	2013/09/05~ 2013/12/31
Postpartum health and infant development among marriage-based immigrant women	National Science Council (NSC96-2628-B-01 0-039-MY2)	2007/08/01~ 2009/07/31
A longitudinal study on social, cultural, and cognitive factors in prediction for cesarean deliveries	National Science Council (NSC95-2314-B-01 0-060-)	2005/08/01~ 2007/07/31
Establishment of behavioral indicators for healthy body image among middle and elementary school students	Department of Education	2005/05/25~ 2007/04/17
Effectiveness and establishment of a parental support group for infants receiving neonatal intensive care	National Science Council	2004/08/01~ 2005/07/31
Doing the month practices on physical health problems and depression among postpartum women	National Science Council	2003/08/01~ 2004/07/31
A prospective cohort study on factors influencing breastfeeding	Bureau of Health Promotion, Department of Health	2003/04/01~ 2004/03/31
Health-related quality of life among children who ever received neonatal intensive care at 3 years of age and their primary caregivers	National Science Council	2002/08/01~ 2003/07/30
